I understand that at least 5 of the courses which I present for the fulfillment of the Minor in Business Institutions must not be counted toward my major. Of the 8 courses required for this minor, I am double-counting _____ (#) courses toward the fulfillment of my major in _____. Additionally, no more than 5 courses among the 8 total courses taken to complete the minor may be from the same department, with no more than 1 internship-related credit and 2 Professional Linkage credits.
