

ENVIRONMENTAL ISSUES IN THE PACIFIC NORTHWEST

FALL QUARTER 2011 at the World-Renowned Friday Harbor Labs

Learn how environmental issues are affecting people, agriculture and the marine ecosystem in the beautiful San Juan Islands. Social science majors welcome!

Live at UW's scenic Friday Harbor Labs campus on San Juan Island during Fall quarter . Choose from such courses as:

- Farming, Fishing, and Local Food
- Introduction to Marine Biology
- Marine/Social Science Research Apprenticeship

Early admission deadline: March 15th

Final deadline: July 1st
