Row: 1 = foundation courses; 2 = upper-level research courses **

**** Psych 205 is a prerequisite for ALL upper-level research courses.** Many have other prerequisites as well.

Preregistration, Permission, and Other Enrollment Notes – see next page

Preregistration, Permission, and Other Enrollment Notes

- ¹ Psychology and Cognitive Science majors and minors can preregister for most courses through CAESAR the week prior to registration. Times are announced by the Registrar's Office. You can preregister for a maximum of 2 courses.
- ² Get a permission number for 205 from Ms. Ginger Gilmore in the psychology department office. Numbers will be given out at set times the week prior to registration. See [Swift Thinking](#) for details and course prerequisites.
- ³ For 397 and 399, get an application from Ginger. Fill it out and have it signed by the professor with whom you will be working. Then return it to Ginger and get a permission number. For 398, get a permission number from Ginger; you must be on the list given to her by the honors coordinator, Prof. O'Brien.
